Subject(s)**ASM 135 Home Help Caregivers**

Home Help services **can** be paid on the date of discharge from a hospital, nursing home, institution for mental disease, home for the aged, adult foster care placement, or incarcerations. MiAIMS has been updated to allow payment for Home Help services on date of discharge from facilities. Home Help services cannot be paid on the day the client was admitted.

Reason: To ensure continuity of care for clients who are discharged from facilities.
